Convenient check depositing from your office

U.S. Bank Deposit Express for depositing paper checks electronically

As a business owner, you don't have time to run to the bank every time you have checks to deposit. But letting those checks pile up can negatively affect your cash flow. It's time to switch to U.S. Bank Deposit Express — our simple, secure, electronic deposit option — so you can deposit checks electronically from the convenience of your office or using your supported mobile device at the office or in the field.
